

## Business Consultant (Banking and/or Insurance)

IMPAQ is a European provider of IT and consulting services. We focus on the financial services and telecom industries, delivering end-to-end solutions ranging from consulting, system development, system integration as well as maintenance and support to the complete management of IT and business processes.

As a privately owned enterprise we are able to assume full responsibility for our mandates. Since 1992 our clients benefit from our in-depth industry and business knowledge, proven methods and technical expertise that our company has developed with more than 350 employees over the past years.

### Responsibilities

- ▶ Delivery of business consulting services in mid-sized to large IT projects
- ▶ Requirements analysis and design relating to the optimization of processes and the implementation of new business models
- ▶ Close collaboration with our customers
- ▶ Support of IMPAQ's pre-sales and sales activities

### Qualifications

- ▶ University degree (Uni/FH/ETH)
- ▶ Proven track record as a business consultant in mid-sized to large IT projects
- ▶ At least three years of consulting experience and/or international project delivery
- ▶ A good general understanding of the financial services industry and its business processes
- ▶ Subject matter expertise in at least one of the following areas: tax, accounting, legal reporting, payments, credit, securities processing, health, life, nonlife, claim processing
- ▶ Strong analytical skills combined with a proactive, pragmatic and result oriented working approach
- ▶ Effective communication with peers and stakeholders
- ▶ High level of quality awareness
- ▶ Excellent command of written/verbal German and English

### Apply now

In order to expand our team of experts in Switzerland we are looking for highly motivated individuals who are seeking an exciting, dynamic and professional working environment.
